

NEW Blom-Singer®
FitSeries
 ADHESIVE HOUSINGS

Do you struggle with your baseplate seal? Are you looking for a baseplate that will truly meet your needs, that has ...

“I usually use extra glue on a baseplate. During this trial I did not use glue because of the extra adhesion the (AccuFit) baseplate has ...

The (AccuFit) baseplate lasted up to two days before replacement was needed ... my usual baseplate would not last even one day without using the additional glue.”

The NEW AccuFit® Adhesive Housings are available in three shapes to help you find **your optimal** baseplate fit

- A Better look?
- A Better stick?
- A Better fit?

Introducing your best fit yet ...

AccuFit®

- For longer wear time
- Ideal for recessed stomas
- Works well with undulating skin around the stoma
- An ideal option for Hands-Free HME use
