

Do you have sensitive skin and want a baseplate that is ...

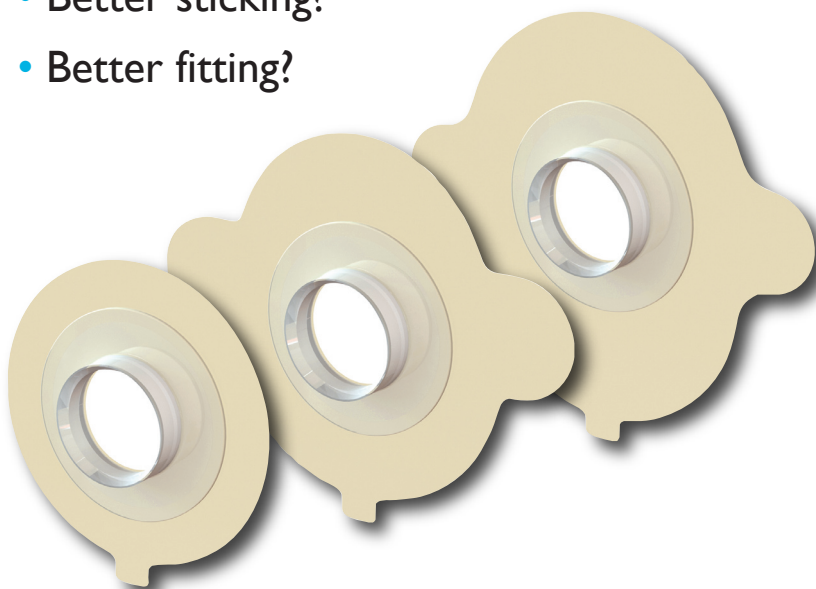

“*I have very sensitive skin and this baseplate feels so nice on my skin. It leaves my skin feeling soft and happy.*

It is super flexible . . . it lays down on my skin smooth and completely flat, even over my 'curvy' neck.

I didn't expect to be that impressed with a baseplate but it definitely stands out.”

The NEW HydroFit® Adhesive Housings are available in three shapes to help you find **your optimal** baseplate fit
